The unique use-activated feature delivers additional odor control. The patented shape provides superior fit in all urinal styles with a ribbed surface designed to reduce splashing.

- Bacteria action deodorizes and cleans urinal and drain
- Powerful and long-lasting performance
- Eliminates need for special sprays
- Prevents calcium scale build-up
- Maximizes drainflow
- Use-activated
- Environmentally friendly
- Biodegradable
- Private label branding available

**QTY: 72 screens per case (6 x 12 screen inner boxes)**

**AVAILABLE IN VARIOUS FRAGRANCES**

**Spring Fresh, Summer Spice, Mango, Melon, Wildflower, Lavender**

**Long Lasting Fragrance Release**  
Milligram fragrance evaporated from the Bravo urinal screen as a function of time throughout an eight week period.

**Splash Reduction Data**

Random delivery pattern of 300ml of liquid over a urinal measuring the droplets caught on a blotter paper outside the edge of the urinal yielded the following results.

**Greater than 80% reduction in splash vs. a urinal without Bravo screen in it.**

# Exodor HVAC Disodorizer™ Treatment

## Perfect for air conditioning odors, heat pump odors and furnace odors

**Exodor HVAC Disodorizer** eliminates odors at their source by killing and inhibiting the growth of mold and bacteria, which generate the malodors in HVAC ducts and evaporator coils. Exodor HVAC Disodorizer has been used effectively for over 15 years in the United States.

**Exodor HVAC Disodorizer Treatment must be applied in aerosol form by using the Exodor high-pressure atomizing sprayer or other similar products.**

- Combats air conditioning odors, heat pump odors and furnace odors
- Economical & easy to use
- Removes odor, improves indoor air quality

*"I have sold the Exodor HVAC product as a distributor for more than 10 years, and although we sell other Indoor Air Quality products, no other product has received as much positive feedback. It continues to be, by far, our frontrunner for resolution of 'Dirty Sock Syndrome.' ... I highly recommend the Exodor product to all HVAC professionals."*

OTHER PRODUCTS

# Bio-Active Grease Trap Treatment

**Walex Bio-Active Grease Trap Treatment** is offered in a dry formula as well as in a liquid formula. These products provide biological treatment that successively digests and mineralizes oils, fats and grease material, and they help reduce clogging of pipes and to lower viscosity at pumping. For 500 liter grease traps, use initial dosage of 200g/200ml respectively to seed the system, then follow up each week with 100g/100ml of product for regular maintenance. Larger dosages may be required for larger grease-trap systems.

- Commercial formula powered by unique blends of bacteria and micronutrients
- 1 trillion CFU's per kg of dry Bio-Active
- 2 trillion CFU's per 4 liter pail of liquid Bio-Active
- Degrades fats, oils, and grease
- Reduces malodors
- Keeps pipes and drains from clogging and reduces pumping
- Available in powder and liquid

# Exodor Odor Absorber

## Absorbs & Eliminates Strong Odors

**Odor Absorber** is a gel product, infused with a layer of charcoal, that eradicates and absorbs odors. Odor Absorber captures and removes odors better than other air fresheners, that only hide odors temporarily. Once opened, our exclusive formula goes to work, neutralizing odors in the air and creating a bright, fresh smelling space. Works in spaces up to 300 sq. ft., and lasts up to 60 days. Odor Absorber is environmentally safe and completely biodegradable.

**Long-lasting odor control:** Cigarette & Cigar Smoke, Pet Odors, Restroom Odors, Mold & Mildew Odors, Household Odors, Garage Fumes, Paint & Solvent Odors
